Module 1 Reading Response	98 / 100	3 / 3	98 %	<p>Overall Feedback</p> <p>Dear Mohammad,</p> <p>Thanks so much for a great response! This i Dilshani Aswin, your grader for this course In this assignment, you've done a great j of analyzing the ancie sources about King Menes and their limitations. As you move forward, make sure to continue providing clear</p>

connections between the textual sources, archaeological evidence and their implications for reconstructing history. Adding a bit more elaboration on how the contradictory information impacts the overall historical understanding and deepening the connection between artifacts and their insights would further strengthen your analysis. Keep up the hard work; I look forward to working with you this session!

All the best,

Dilshani Aswin

Egypt during the Mid Kingdom. You highlight the injustices faced by peasants and the shift in kingship dynamics from the Old Kingdom to the Middle Kingdom. Your use of specific examples from the text adds depth to your points, and your historical context about the First Intermediate Period enhances understanding. Consider further connecting the themes of daily life and kingship to provide a more integrated analysis.
